## **JM&A Group Adds Product Now Offers Paintless Dent Removal by Dent Wizard**

Deerfield Beach, Fla. -- JM&A Group, one of the largest independent providers of finance and insurance (F&I) products in the automotive industry, is now offering Paintless Dent Removal (PDR) coverage provided by Dent Wizard.

Dent Wizard has been an innovative leader in the PDR industry since its establishment in 1983. PDR reforms metal back to its original condition without sanding, filling, painting or using traditional auto body techniques.

"Paintless Dent Removal compliments our other products and adds a greater profit opportunity for our dealers," said Mike Casey, vice president and general manager of Sales & Field Service, JM&A Group. "This coverage also provides a value and benefit to consumers—helping to maintain the look of their vehicles for a longer period of time."

Coverage is available for new and used vehicles for three, four and five-year terms; with unlimited repairs; no age or mileage restrictions; and no deductible.

"We are thrilled to align with JM&A. This is an excellent opportunity for two industry leaders to join together in helping dealers grow their business," said Kelly Conger, president, Dent Wizard.

JM&A Group also offers such products as new and used vehicle protection plans, used vehicle certification, pre-paid maintenance plans, and GAP programs.

Dent Wizard pioneered the PDR process more than 20 years ago and today, Dent Wizard PDR technicians are on the job in dealerships and locations throughout the United States.
